Dear Partners, Sponsors, and Donors:

Thank you for supporting Warrior Expeditions during this incredibly challenging year. It started off well with the launch of Warrior Hike on the Florida Trail in January and Warrior Hike on the Appalachian Trail in March (see photos below). Unfortunately, as the virus began to spread, we had to make the tough call to cancel all 2020 expeditions. We currently anticipate resuming operations in 2021 once the Covid19 risk has subsided.

With expeditions canceled for the year, the Warrior Expeditions staff was able to focus on several projects that have been on the back burner. These included redesigning our website and upgrading our support vehicles. We have also started developing our Veterans Outdoor Network - a new platform to connect veterans with local outdoor events.

We are incredibly grateful for your continued support and look forward to restarting our expeditions in 2021. In the meantime, we invite you to check out our SITREP interviews with Warrior Expeditions veterans, community supporters, and sponsors on our social media platforms.

Semper Fi,

Warrior Expeditions  
Executive Director
